

Application for MBA Admission Spring 2018

Please read carefully before completing this application:

Thank you for your interest in the MBA program at the American University of Afghanistan.

This program is designed to be a challenging program for men and women who show outstanding promise for business leadership. It requires total commitment of the student's time and energy during the two years or so that it typically requires to complete studies.

In addition to academic studies, all students are required to participate in certain extracurricular events such as seminars on career planning and communications skills. The program also has a strict attendance policy and you should carefully evaluate, before completing this application, whether you can attend all classes.

The program offers no financial assistance or scholarships. When you make application, you are representing to us that you have the financial resources necessary to complete the program.

All admission requirements must be met before you will be considered for admission. Admission is competitive – there are a limited number of students that we admit for each MBA intake.

The final deadline for completed applications is 9 January 2018. The Admissions Committee will make its final decisions on 11 January and applicants will be notified on 12 January. If admitted, you must attend an all-day MBA Orientation on 18 January. Classes begin 22 January.

For additional information, contact the Admissions Office at admissions@auaf.edu.af or call 0797 200 400 or 0794 800 400.
