

Minor Declaration Form

Undergraduate students in good standing are eligible for **one** minor. Undergraduate students may be required or may choose to complete a minor as part of their Bachelor’s degree. Some degree programs may have specific program recommendations as to the minors to pursue.

A minor consists of at least **18** semester hours of, including several upper-level academic work concentrated in one academic discipline and the coursework must not be the same as the student’s major. A student interested in pursuing a minor should talk with their academic advisor about the particular discipline they want to pursue once they have declared a major. The minor declaration form must be submitted at least one semester (fall or spring) before graduation. Students choosing to complete a minor will graduate with more than 120 credit hours.

It is the responsibility of the student to make sure that they satisfy the requirements for the minor. Students should contact their advisor for any questions regarding the completion of the minor.

If a student decides that they no longer wish to pursue a minor, they must contact the Office of the Registrar and follow the process to have it removed from their degree plan.

Credits used to complete the minor may also be used towards major requirements. Not all courses offered in the minor are offered each semester. Students should work with their advisor to plan accordingly.
