PROJECT:
Provision of Circulation Pump and Gate Valve

The American University of Afghanistan
Darulaman Road,
District 7, Kabul, Afghanistan
1. General:

The American University of Afghanistan (AUAF) is Afghanistan’s only private, not-for-profit, institution of higher education, offering internationally-supported degree programs and education.

2. Project Summary:

AUAF seeking qualified vendor for supply of Circulation Pump and Gate valve firms and companies who have a solid track experience in provision of the Circulation pump and Gate Valve in competitive prices to the international and national organizations within Afghanistan.

3. Government Withholding Tax:

Pursuant to Article 72 in the Afghanistan Tax Law effective March 21, 2009, AUAF is required to withhold "contractor" taxes from the gross amounts payable to all Afghan/International for-profit subcontractors/vendors. In accordance with this requirement, AUAF shall withhold two percent (2%) tax from all gross invoices to Afghan subcontractors/vendors under this Agreement with active AISA or Ministry of Commerce license. For subcontractors/vendors without active AISA or Ministry of Commerce license, AUAF shall withhold seven percent (7%) "Contractor" taxes per current Afghanistan Tax Law.

Before the signing of this Agreement, the subcontractor/vendor will provide a copy of the organization's AISA or Ministry of Commerce license and TIN (Tax Identification Number). Amounts deducted from the invoices will be forwarded to the Ministry of Finance (MOF) Tax Division credited to the firm’s TIN. Records of payments to the MOF shall be maintained on file with AUAF.

4. Penalty Charges

If the Vendor fails to supply the specified Circulation Pump and Gate within the date stipulated, AUAF shall, without prejudice to its other remedies under the Purchase Order/Contract price, as liquidated damages, deduct a sum equivalent to five percent (5%) of the delivered price of the delayed Goods/Services for each week of the delay until actual delivery, up to a maximum deduction of Ten Percent (10%) of the Purchase Order/Contract value.

5. Source, Origin and Nationality

The vendor may not supply any goods or services manufactured in or shipped from the following countries: Cuba, Iraq, Iran, Laos, Libya, North Korea, or Syria.

6. Inspection

AUAF shall have reasonable time, after delivery, to inspect the goods, and to reject acceptance in not conforming to the specifications of this Purchase Order and offer. Recovery of the rejected item (s) shall be the sole responsibility of the supplier.
7. Statement of Work/Specification:

The selected vendor shall supply Circulation Pump and Gate to AUAF campus only; one location for delivery of all material to the main campus of AUAF located on Darulaman Road in Kabul City.

Firms/companies interested to bid should provide quotation to AUAF. AUAF conduct market survey to obtain best value for money.

8. Evaluation Process:

The proposals will be evaluated in terms of fairness, cost-consciousness, and best value to the AUAF considering both technical and cost factors. There may be multiple awards considering the technical compliancy and low price methodology. The award will be to the responsive and responsible offeror that offers best value proposal to AUAF.

AUAF may reject all of the proposals submitted for good cause. AUAF may negotiate price or service provided in terms with one or more of the bidders if it feels that negotiations would improve the chances that AUAF receives a better quotation.
