The purpose of this RFQ is to solicit quotations from an eligible supplier who can provide required model of laptops for the AUAF. As a result of this RFQ, AUAF anticipates issuing a purchase order. Failure to adhere to instructions described in this RFQ may lead to the disqualification of an offer from consideration.

## **2 Annex 2 – Terms and Conditions:**

### **3. Government Withholding Tax:**

According to Article 72 in the Afghanistan Tax Law effective March 21, 2009, AUAF is required to withhold "contractor" taxes from the gross amounts payable to all Afghan/International for-profit subcontractors/vendors. For subcontractors/vendors without an active business license, AUAF shall withhold 7% "Contractor" taxes per current Afghanistan Tax Law. Before the signing of this Agreement, the subcontractor/vendor will provide a copy of the organization's active business license and TIN (Tax Identification Number). Amounts deducted from the invoices will be forwarded to the Ministry of Finance (MOF) Tax Division credited to the firm's TIN. Records of payments to the MOF shall be maintained on file with AUAF.

### **4. Penalty Charges**

If the supplier fails to provide laptops to AUAF within the date stipulated in the Purchase Orders, AUAF shall, without prejudice to its other remedies under the Purchase Order/Contract price, as liquidated damages, deduct a sum equivalent to 5% of the total Purchase Order up to a maximum of 10% for each week.

## **9 Annex 9 - Required Certifications**

Federal Acquisition Regulation mandates certain certifications that offerors are required to sign as part of a request for subcontract quotation (RFQ) funded with federal funds. A list of required certifications should be included in the solicitation document for subcontracts that have not been priced as part of the prime contract and Offerors must submit all the certifications to be responsive to the RFQ.

The required certifications are as follows and their full text can be found in the following pages. Additional certifications may be required depending upon the prime contract terms and conditions.

Certification of independent price determination – (FAR 52.203-2). Certifies that prices in this offer have been arrived at independently, without, to restrict competition, any consultation, communication, or agreement with other offeror or competitor relating to – prices, intention to submit an offer, or factors used to calculate prices offered.

Subcontractor certification and disclosure regarding payment to influence certain federal transactions received – (FAR 52.203-11). Certifies that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee or a Member of Congress on his or her behalf in connection with the awarding of any Federal contract, grant, loan, cooperative agreement, etc.

Subcontractor certification regarding debarment, suspension, proposed debarment, and other responsibility matters – (FAR 52.209-5). Certifies that offeror/or any of its principals are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency.

Evidence of Responsibility Statement – Certification describing internal policies and procedures, listing authorized signatories, and stating that the company can comply with the terms and conditions of the subcontract. This applies to all solicitations regardless of value.

Certificate of current cost or pricing data – (FAR 15.406-2). Cost or pricing data are data requiring certification per FAR 15.406-2.

Prohibition on Assistance to Drug Trafficking Participant Certification – (Section 487 of the Foreign Assistance Act/ADS 206). Certifies that key individuals of subcontractors are not or have not been involved in drug trafficking. The requirement for certification applies to subcontractors in covered countries (identified annually by the President of the United States as major, illicit, drug-producing or drug-transit countries) and in principle is not required from most subcontractors except for (1) intermediate credit institutions (entity receiving USAID funds for the purpose lending to third parties) and; (2) subcontractors specifically designated by USAID to receive or provide more than \$100,000 in covered assistance. The designation means that the subcontractor has been unilaterally selected by USAID as the

subcontractor. USAID approval of a subcontractor, selected by another party, or joint selection by USAID and another party is not a designation. To assess if this certification is required, check prime contract terms and conditions.

**52.203-2 CERTIFICATE OF INDEPENDENT PRICE DETERMINATION**

**52.209-5 CERTIFICATION REGARDING RESPONSIBILITY MATTERS. As prescribed in 9.409(a), insert the following provision:**

CERTIFICATION REGARDING RESPONSIBILITY MATTERS (MAY 2008)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The Offeror and/or any of its Principals—

(A) Are  are not  presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have  have not , within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are  are not  presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) Have , have not , within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Offeror has or has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) “Principal,” for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment; and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(b) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror no responsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.
